Presidential Summit on **ENTREPRENEURSHIP**

U.S. President's Entrepreneurship Summit April 26-27

In April, Lincoln Corners will have the opportunity to support the [U.S. President's Entrepreneurship Summit April 26-27](#), an international conference of world leaders and representatives from organizations interested in promoting economic development through entrepreneurship. You may collect from the KL Lincoln Corner, a special collection of new library materials on the subject. Please organize a book exhibit using these new additions and other materials you already have on entrepreneurship at the Lincoln Corners—including periodicals and DVDs. Kindly organize DVD screenings in conjunction with entrepreneurial topics and promote viewership among students of business and entrepreneurship, women in business, chambers of commerce, et cetera.

You may also promote the use of the following website/s which have more information:
